

CAMPUS BENEFITS FOR ME

Providing Individual Benefit
Packages for You and Your
Family

About Us

Campus Benefits for Me strives to provide you and your family with a comprehensive and valuable benefits package. This program is a fantastic option for those who may not be eligible for employee benefits through their employer, self-employed workers, or those who are simply looking for additional insurance options. We want to make sure you're getting the most out of your benefits.

Plan Options

Dental

Designed to pay a portion of dental costs associated with preventive, basic, and some major dental care.

Vision

Designed to reduce your costs for routine preventive eye care including eye exams and prescription eye wear.

Life Insurance

Ethos makes it easy for families to get affordable life insurance coverage to protect their loved ones.

MedCare Complete

MCC does this by providing services that protect and care for the physical, financial, and digital health of its members

Pet Insurance

Pet insurance helps cover the cost of unexpected veterinary care for your cats, dogs, birds and other exotic animals.

HOW DO I ENROLL?

Follow the steps below to review your options, select the coverage that fits your needs, and securely complete your payment.

Step 1

Visit the Campus Benefits for Me website. Here you will find the information you need and links to the carrier websites.

[Campusbenefitsforme.com](https://www.campusbenefitsforme.com)

Step 2

Use the benefit tabs to review each available coverage option. Once you've explored the details, click **Enroll Today** to access the carrier website to complete your purchase.

Step 3

On the carrier website, create an account using your personal information. This will allow you to securely select your coverage and manage payment. All payments are made directly to the carrier.
